

Kalpaja A. Dalavoi stepped into her professional life in 2003. She invested in the education, healthcare, and utility sectors as an entrepreneur, business and thought leader, and philanthropist. While holding key posts in the following renowned institutions, she actively strives to build value for her stakeholders and employees.

- Chairperson - Vydehi Institute of Medical Sciences and Research Center - Hospital and Medical College (2003 to present)
- Administrative Director - Mallya Hospital Bengaluru (2003 to present)
- Chairperson of Srinivasa Trust
- Chairperson of R K Education Institutes in Chittoor.

The flagship in her portfolio is her penchant for education. As a firm believer in the motto Knowledge is Supreme Power, the focus is on empowering students with innovative leadership thoughts. With a directive on delivering quality education at a very affordable cost, she has built R K School, R K Vidyalaya and Junior College, and R K Degree College into one of the most prominent education institutes in Chittoor.

Kalpaja's dream for a well-educated society has led to creating a wide array of all-inclusive education institutes. Since her taking over the education institutes in 2012, the number of students benefitting from quality education has only grown. Under her vision for sustainable schools, the schools run entirely on renewable energy and rainwater harvesting systems.

The institutions promote gender equality and follow activity and toy based pedagogy. For the holistic development of students, the institute hires special educators to promote lateral and innovative thinking. The education institutes boast vast playgrounds and superb sports facilities and offer scholarships for sports achievers.

The results of constant care for over a decade are bearing fruits. The first batch of grade 10 and grade 12 students have secured a 100% passing percentage. Her vision for the schools has earned us one of the prestigious ISA British council award, for the term 2015 - 18. With her valuable leadership, Kalpaja has managed to inspire, build, and nurture students into following their dreams.

As a chairperson of Srinivasa Trust, her philanthropic activities are not limited but include:

- Renovating Yadagirigutta temple
- Establishing Sri Sathyasai mineral water plants in Chittoor
- Furnishing Veterinary ambulance to Chittoor district Veterinary department in the public's interest
- Donating integrated ICU Ambulance to Chittoor district Medical & Health department in the public's interest
- Donation of Towing vehicle to Chittoor district police department
- Free medical treatment to the public of Chittoor in the memory of Dr D.K. Audikesavulu at DKA Primary Health Care Centre, Chittoor
- Medical and financial help to the needy at Hud-Hud natural calamity by organising an event at Chittoor.
- Organising free medical camp at Chittoor SITAMS College in memory of Dr D K Audikesavulu 76th birth anniversary.
- Conducting free knee replacement surgeries

- Establishing rural health training centres, which have treated over 50,000 patients, performed 500 free cardiac surgeries, free eye operations and 100% free paediatric treatment for the last ten years.

Her CSR activities include:

- Development of a beautiful island at Chittoor city centre place.
- Development of 04 parks at Chittoor corporation area in the public's interest.
- Strengthening of the tank bound at Chittoor for storage of rainwater.
- Provided public toilet facilities to the needy at Chittoor Agriculture Market Committee.
- Provided free drinking water facility to the Chittoor public during summer.

A postgraduate from the California State University, she provides a healing touch to the Vydehi Institute of Rehabilitation, Vydehi School of excellence & VKIDS. Her astute business acumen, visionary leadership and exemplary community service have been recognised at the national level by conferring her with the Rashtriya Udyog Ratna Award and the Indira Gandhi Sadbhawna Award.
